

Whereas the illicit, immoral and public promotion of pornography has been repeatedly displayed in the Dominion.

And whereas it has been shown that such behavior can and does corrupt the morality of the young.

And whereas the public advertisement of pornography has also been shown to undermine the authority of the parents rights to train their children to discern between right and wrong.

Now, therefore, be it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1. That the public promotion of pornography within the Dominion of British West Florida is a grave offense.
2. That an offender guilty of such displays shall be paraded publicly in the same place where the offense was committed and confined to the pillory overnight and subjected to the indignity of having rotten food thrown at them by aggrieved subjects, citizens and foreigners in the Dominion.
3. That the said offender shall be barred from any DBWF public forum for 30 days for a first offence; 90 days for a second offence with a life barring and disgrace from any forum on a third offence.
4. This act may be cited as The Outlaw of Public Pornographic Promotions Act.

Presented by the Houses Lords Spiritual and Temporal, and of Commons to the Throne on the 18th of September in the year of our Lord 2007, and granted the Royal Assent by Her Majesty's Governor-General in and for the Dominion of British West Florida this 21st day of the same month and year.
