

To Her Gracious and Sacred Majesty Elizabeth *the Second*, by the Grace of God of the *Dominion of British West Florida*, the United Kingdom of Great Britain and Northern Ireland, Canada, Australia, New Zealand, Jamaica, Barbados, The Bahamas, Grenada, Papua New Guinea, Solomon Islands, Tuvalu, Saint Lucia, Saint Vincent and the Grenadines, Antigua and Barbuda, Belize, Saint Christopher and Nevis and her other realms and territories; Queen, Head of the Commonwealth, Defender of the Faith.

YOUR MAJESTY,

Whereas *your* Parliaments, dominated as they are by Wreckers, Levellers, Traitors and Malcontents, may neglect to send Your Majesty a Loyal Address on the Occasion of Your Majesty's 82nd Birthday,

And whereas Your Majesty's Crown, and the beloved constitution hallowed by the dust and the blood of our Fathers ought to be at the centre of our national life, and the protection of the same our chief care,

Therefore I, the least of Your Majesty's loyal subjects, have taken it upon myself to *present to your most Gracious and Excellent Majesty* this Loyal Address, upon Subjects Patriotic and Loyal, wherewith to confound Your Majesty's enemies, and for the maintenance of the loyalty which is your and our chief protection against Levelling Modernism and the Paineite Rabble who wish to destroy our honour, our history, *our liberty*, and Your Majesty.

Madam, this year marks the fifty-sixth of your reign. You have conducted yourself with grace, dignity and responsibility to all your subjects, and all your peoples. Your contribution to our stability and well-being has often gone un-noticed. *You have never complained, but having unfailingly continued steadfast in your duties.* For this, I salute you.

You stand at the end of a proud tradition, stretching back into the mists of time. Your Majesty sat upon the Stone of Destiny, upon King Edward's chair. You were anointed, hallowed, consecrated unto God by the Primate and Metropolitan of All England. You were crowned, acclaimed, and recognised, by right of blood succession *and the will of Parliament*, Queen regnant of this and your other Realms. You were lifted up above us "by the power, authority and ordinance of Almighty God". For this, I salute you, and Praise God for his grace unto us.

Your Majesty is a Christian Prince, a link in the chain between your people and God's Justice. As such, you are the Mother of your people, stretching out your hand to protect us from politics, politicians and their grubby electioneering. Your Majesty is the focus of our unity, above politics, answerable to no-one but God and your conscience. For this, I salute you.

You are the symbol of all that is decent, and good, and stable in our tradition. You are the personification of our law, and God's Law. You are united to your peoples, and they to you. You are a symbol of continuity, a rock in the midst of change. You are the link between the Motherland and her many outposts, independent, yet always united, in culture, law, language, sport and love of our collective Queen. Those who have left the Commonwealth too, hold you in high esteem. Your Majesty's devotion to the welfare of all your people makes you welcome everywhere. Sir Winston Churchill had it right when he said: ""We honour her because she is our Queen. We love her because she is herself".

Because you are our Queen, and because you are yourself, Your Majesty, on your 82nd birthday, your peoples around the world salute you.

May it please Your Majesty to enjoy this day knowing that your Subjects in this Realm beseech Almighty God on your behalf that you may both enjoy today, and live the abundant life for many more years as our Sovereign Lady.

God Save Her Majesty our Sovereign Lady Elizabeth the *Second!*
LONG LIVE THE QUEEN!
