

Whereas the International Criminal Court, an Agency of the United Nations has issued a Warrant for the Arrest of a Head of State, and

Whereas the Authority of the International Criminal Court is limited to those cases brought before it by competent authority, and

Whereas the nature of Crimes committed by Heads of State or Government, no matter how heinous do not enlarge the Jurisdiction of International Bodies, and

Whereas the Government of the Sudan has neither requested nor authorized intervention by the United Nations Criminal Court,

Now Therefore, we the undersigned Heads of Government and Heads of State, do

Reject the claim of the United Nations International Criminal Court to have the Authority to issue a Warrant against a Head of State or Government, and

Renounce any association with this or any other attempt to use a Foreign Court to interfere in the Domestic Activities of a Sovereign Nation or people, and

Call upon the International Criminal Court of the United Nations to confine itself to the activities authorized by its Charter, and

Call upon the United Nations Security Council to act according to Chapter VII of its Charter in the interest of the Peace and Security of the Sudan.

We further resolve and declare that usurpation of national sovereignty by any external body is a security matter for which no court of competent jurisdiction can be established without the consent of all parties involved.
